

Virginia Beach Classes 2018: Travel, Venue & Lodging Info

(with restaurant list)

Sep 6, 2018

PLEASE DO NOT TAKE A RED-EYE FLIGHT, ARRIVING THE MORNING OF CLASS, BECAUSE WE HAVE HAD SITUATIONS WHERE A FLIGHT IS DELAYED SUFFICIENTLY THAT BY THE TIME THE STUDENT ARRIVED, IT WAS TOO LATE TO PARTICIPATE IN CLASS.

The 2018 classes in Virginia Beach are Accessing Manifesting Intention and Awakening to Divinity.

Accessing Manifesting Intention is at the Four Points Hotel at 1211 Atlantic Ave (between 12th & 13th Streets), and Awakening to Divinity is at the Holiday Inn & Suites, 3900 Atlantic Ave (at 39th Street). (More hotel details below.) Both are right on the beach. There are many restaurants within an easy walk of both, so no car is needed. It's easy to tell by the address just how close a restaurant is to the venue.

IMPORTANT: Virginia Beach is a very busy place year round. There are all kinds of conventions, festivals, reunions, etc. So, if you know you are coming to one of these classes, **book your hotel room early**. If you book late, you may have some difficulty finding a room within an easy walk of the venue. Our discount doesn't hit the Holiday Inn computer system, though, until about 9 months before class. You should be able to book at the Four Points now.

REGISTRATION:

Idell Wider is the contact person for registration. Because of the expected size of the classes, the policy for these classes will require that full payment be done before the class. To encourage this, the gap between the cost of the class and the early registration price is \$60, with a **\$30 Discount** if the deposit is *received* by a month before the start of class **AND another \$30 Discount** if the balance is also received by 2 weeks before start of class (unless other arrangements have been agreed to beforehand). All other aspects of the Deposit/ Balance/ Refund Policy are the same as for other classes. Contact info for Idell is below, in the section for Payment Details.

For tuition, both deposits and balances can be paid directly by credit card on **ric-classes.com**. Or you can use US checks (made out to VortexHealing), foreign money orders made out in US dollars (to VortexHealing—and please have your name on it).

Sending Payments: Please note that *mail from Europe takes a week to arrive*, and mail from the Netherlands can take as long as two weeks.

Idell can be reached at idellwidervortex@aol.com or at 1-214-850-5008. (From outside the US dial 00-1-248-651-2130.) Please be aware that she is in the US Central Time Zone, which is 6 hours earlier than London and 2 hours later than California. So, From England and Europe, please call in the afternoon or evening your time, because of the time difference.

Mail: Idell Wider // 16009 Ranchita Dr. // Dallas, TX, 75248// USA

Deposit / Refund Policy: can be viewed online at <http://vortexhealing.org/DepositPolicy.pdf>.

TRAVEL:

Airport: There is an airport about 20 miles and a 25-minute drive from the beachfront of Virginia Beach, where the class and your hotel will be: **The Norfolk International Airport** (abbreviation

is ORF). Unless you are flying from the East Coast of the US, you will most likely need to make a connecting flight from a larger hub. For airport information, go to <http://www.norfolkairport.com/>. Another option, if you want to have a car for your stay, is to fly direct into Washington DC, (Dulles International Airport), rent a car there, and then drive the rest of the way. That should save you some money on your flight, which will help pay for the car. The drive is about 210 miles and should take about 3 ½ hours, if there is mild traffic.

Getting to your hotel from Norfolk International Airport: The easiest thing is to take a taxi. There is a taxi stand at the airport, where cabs from different companies line up to take you to wherever you want to go. The cost should be about \$35-\$50. This is the rate for the cab (not including tip), not per person, as long as you are all going to the same hotel.

There is also:

Carey VIP service: If you have a few people, you can save by using this service. There are *no reservations* taken. You go to Door 3 of the airport for pickup, usually with a maximum wait of 15 minutes. \$33 plus \$5 for each additional passenger for up to 3 additional passengers (ie, 3 passengers would cost \$43; 4 would cost \$48). 1-877-422-1105 or 1-757-321-1541 (at the airport). Website is: <http://careyvip.net/careyvip/airportconnection/> or email sales@careyvip.net

Orange Peel Transportation: If you have a few people, you can save by using this service as well. Cost is \$42 for 1 person, \$44 for 2 people, \$46 for 3 people and then \$13 extra for each additional person. For this service, you need to *make advance reservations*. Call 1-757-463-7500. Or go to www.norfolkairportshuttle.com.

Train & Bus: There does not seem to be any bus or train possibilities from the airport.

Note that all the hotels below have free parking for their guests, and for their guests only. Our venue, though, may be able to accommodate parking for those needing to drive there. You'll have to check when you come to class the first day.

Car Rental: You can typically save quite a bit here by renting from an Enterprise Car Rental place that is just a few minutes by taxi off-airport. (Ric recently saved over \$160 on a 9-day rental this way.) Just go to Enterprise.com and type in Norfolk VA for the pickup place. After putting in your dates and going to the next page, choose the North Military Highway site, at 3561 N. Military Highway. Their phone number is 757-853-7700. You would need to take a short taxi over to them, but you could drop it at the airport without a fee for the return. Their schedule may change during the year, but most of the time it seems they are open to 7pm on weekdays and until 4pm on the weekend.

Also, you can typically get a good price with **Autoslash.com**, especially if you make your reservation far in advance. Once you make your reservation, go back to autoslash.com and click on Track a Rental. Enter the info and they will keep looking for prices to go down and when it does, they will send you the info. They used to cancel the original reservation automatically, but they don't any longer; you need to do that yourself.

Sometimes, when first doing a search here, they don't show you anything at first and say they will get back to you – and they do very quickly. Sometimes, it will only show 1 or 2 car companies to choose from. If that happens, near the top of the page will be a box with this statement:

“Didn't find anything that meets your needs? [Click here](#) to submit a request and we'll get back to you via email with other options.”

Choose that, and within 24 hours, usually much sooner, you will be sent a link that will offer you other options.

The sooner in advance you make the reservation the more time Autoslash has to find better rates when sales come up.

OUR VENUE for Accessing Manifesting Intention:

Four Points +1-757-428-1183 // 1211 Atlantic Ave

<http://www.fourpointsvirginiabeach.com/?SWAQ=958P>

This has been nicely upgraded from its previous incarnation (as the Surfside), when we gave classes here some years ago. Now a lovely upscale hotel. All rooms have fridges and microwaves, there is free wi-fi in the rooms, and all rooms have an ocean view with balcony. Guest rooms are just \$89/night + tax, for a king or double-queen. Suites are \$149 + tax. The free cancel window is 72 hours.

The hotel has an indoor pool and a fitness center.

There is no free continental breakfast, but there is an on-site restaurant that serves breakfast, lunch & dinner.

Free parking for guests.

We have a block of rooms and when this block fills up, we should be able to get more if there is still availability--until about a month beforehand. *Note that the hotel itself can become booked because of other events before that 'month beforehand' even arrives.* So, reserve early. Let me know if you try to reserve a room and there are no more left and I will see if I can get any more. You can book your room by calling them, and they may be a link to register online, but there isn't one yet.

Parking: If you are not staying at the hotel, you cannot park there during the day. There is a lot across the street that charges \$10/day.

OUR VENUE for Awakening to Divinity:

Holiday Inn & Suites. +1-757 428-1711 // 3900 Atlantic Ave

<http://www.vboceanfrontnorth.com/>

They have very nice rooms here in this upscale hotel as well. And each room also has a private balcony—looks out to the sea for oceanfront or ocean view—and that comes with cable TV, call-out phone, hair drier, free wireless, refrigerator and microwave. Internet here is pretty good and is free.

A room with 2 queens is \$115 + tax, and these are ocean view rooms. King rooms have an ocean view, and for us are \$135 + tax whether that is 1 or 2 people in the room. They also have queen-queen suites for \$155 + tax, which are oceanfront. Most rooms also have pull-out sofas, but not all do, so you need to ask.

The hotel has both an outdoor pool and a business center with a few computers. There is no free continental breakfast, but there are 3 restaurants on site. The hotel also has a children's activity program called Splash Kamp, but we don't know how extensive it is.

Free parking for guests.

We have a block of rooms and when this block fills up, we should be able to get more if there is still availability--until about a month beforehand. *Note that the hotel itself can become booked because of other events before that 'month beforehand' even arrives.* So, reserve early. Let me know if you try to reserve a room and there are no more left and I will see if I can get any more.

You can book by calling them or using their online link,

<https://book.passkey.com/gt/216565420?gtid=cf444c61cf12e470b8c1d01b7b2f99a4>. When you get to the page, there is a box in the center-left of the page that says, 'Please select your guest type', with a dropdown menu arrow. Click the arrow and select "attendee".

If you book by calling the hotel, say you are with the VortexHealing group block, the code for which is **VOR**. You have to wait until about 9 months before the class before our group will be in their computer.

OTHER HOTELS:

Some students prefer to look for their own perfect dream hotel, and there are many of them in Virginia Beach. But I haven't made a list of these because I would rather encourage students to stay at the venue. Our rates are reasonable, the rooms are nice and the more students stay on site the more it starts to feel like a residential class. In addition, the more of us that are in the hotel, the more it will feel like our own space—and the quieter the hotel will be. There are all kinds of teenage groups that come through Virginia Beach: bands, cheerleader groups, etc. And they are not the quietest folk. So, the more of us that are at the hotel, the less of 'them' there will be, and the better chance you have of being in a quiet environment in the evening, when you want to sleep. Of course, if you need a suite and they have run out, or if you intend on cooking, or simply need less expensive accommodations, do check out other places. There are lots of other hotels, with all kinds of price ranges, to be found within walking distance.

Although I am not making a list of other hotels, I do want to make you aware of one near the Holiday Inn, since it is close by and has kitchenettes and efficiencies for cooking your own food, and they have some larger units, which can be shared by more students to lower rent costs. It is called the Cutty Sark Motel. www.cuttysarkvb.com. Note that to confirm a reservation there, the full amount of the stay must be paid in advance. If for any reason a guest needs to cancel an efficiency at least 14 days prior to arrival, they do refund fully, minus \$25 administrative fee. But if the guest books a reduced rate NON-REFUNDABLE unit, no refund will be given. There are only maybe 13 or 14 units, there, so they can't afford to allow last-minute cancellations for our long stays. If you will be arriving late, let them know and they will accommodate you.
