

Waltham MA (nr. Boston) 2012: Travel, Venue & Restaurants

Dec 10, 2012

EVENTS

Awakening Gaia: This is the *main event*. This is **THE EARTHSHIFT** of our lifetime. We will start Dec 20, have regular days on the 20th and 21st, and then on the 22nd, we will return after dinner and go until past midnight on the early morning of the 23rd, when the Shift will complete and Gaia will wake up. You then have time to still get a night's sleep and travel home on the morning of the 23rd. (There will be other aspects to this Earthshift, but the awakening of Gaia is the main event.)

This is open to anyone who has done Magical Structures class.

Embodiment: This will be a 5-day, 2-night embodiment class, and will include the transmission given in the long embodiment classes. The class will start the morning of Dec 15th and end on the afternoon of Dec 19th. The 2 nights will be Dec 16th and then either Dec 17th or 18th. This is open to anyone who has done Beginning of Awakening to Itself (formerly called Awakening to Self within Consciousness, and more formerly called Realization).

Angelic Heart, Part I: Dec 16-18, regular day hours. (Taught by Gailynn.) Open to everyone who has completed LifeForm class and Sensing.

Bringing Consciousness to Form: Dec 17-19, regular day hours. (Taught by Lorraine.) Open to all Vortex students.

Sensing: Dec 19, regular day hours. (Taught by Gailynn.) Open to all who have done Magical Structures class.

*Note that Yvonne is the organizer for all of these classes **except** Bringing Consciousness to Form. For that class, Hilary is the organizer. Contact details for Yvonne and Hilary are below.*

Note also that if you are taking classes here with more than 1 teacher, separate payments will be needed for each one.
