The hotel options listed are the closest to the venue but not within walking distance unless you are a very good walker. Transportation to the venue from the closest hotels can be arranged if you do not have access to a car. **Please talk to the organizer before booking accommodations.** You can go to www.google.com [maps](#) to determine the distance from accommodations to the venue.

Be aware that better prices can usually be had by booking as far in advance as possible. You can always cancel the reservation if something better comes along unless you use the non-refundable option. **Please communicate with the class organizer before booking a non-refundable rate.** Most hotels have discount rates for AAA and some have discounts on the Internet.
