

Denver Colorado Travel & Hotels (Updated Dec 2019)

The classes in 2020 are held at the **Hampton Inn Denver West Federal Center** located at 137 Union Blvd, Lakewood, CO 80228.

Getting to Denver

Denver International airport (DIA) is approximately 34 miles from the Hampton Inn. Taxi service to the venue is around \$80. Uber or Lyft is approximately \$45-\$50 depending on time of day.

An affordable option is to ride the Light Rail taking the A line from DIA to downtown's Denver Union Station and from there to switch trains on the W line to the Federal Center Station adjacent from the Hampton Inn.

The A line station at DIA is located underneath the new Westin Denver International Airport hotel. Passengers stepping off the train need to walk only a short distance to an escalator, elevator or stairs that lead directly to the south entrance of the Jeppesen Terminal and the security checkpoints. Tickets for the A Line may be purchased at the ticket vending machines located on the train platform using cash or credit cards. Airport fare is \$10.50 • Travel time from DEN to Denver Union Station is 37 min and on the W line from the Union Station to the Federal Center Station is 29 min • Trains run every 15 min during peak travel times, and every 30 min from 3 a.m. - 5 a.m. and 6:30 p.m. to 1 a.m.

For schedules and more information about the A and W Line train and buses to and from DIA, visit the [RTD website](#). You can also check the Rome2rio link [rome2rio website](#) for additional information on how to get from DIA to the Federal Center Station.

Accommodations in Denver

General Notes

The prices listed below were checked in August 2019, and are for the lowest priced room and does not include tax. It pays to check multiple sites such as Expedia, Trivago, Trip Advisor, Kayak, Orbitz, Booking.com etc. Some students have used **Priceline** or Hotwire and received good rates but be aware that their options may not be very close to the venue, and it is advisable to add the extra cost of Uber or Lyft to get to the venue. Most hotels have discount rates for AAA and some have discounts on the Internet. It is best to call the hotel directly before booking on the internet to compare prices. You can also look for accommodations on www.airbnb.com. The site showed very reasonable accommodations from \$55 to \$100 per night in the area of the class venue. You can go to www.google.com maps to determine the distance from accommodations to the venue. Be aware that better prices can usually be had by booking as far in advance as possible. You can always cancel the reservation if something better comes along unless you use the non-refundable option.

Please communicate with the class organizer before booking a non-refundable rate.
